## **EDITOR'S NOTE**

In the previous issue of the magazine we offer brief information about IV International Science Conference Knowledge Society and V International Science Conference for Young Researchers "Technical Science and Industrial Management. According to the indicative working programme more than 65 scientific papers will be presented at the conference from scientists from Bulgaria, Romania, Ukraine, Lithuania, Latvia, Czech Republic, Slovakia representing more than 13 universities and Research and Development Centers.

As a result of high scientific level of the papers, The Editorial Board took decision to publish the best from the papers in the previous, the present and the following issues of the magazine. All scientific papers were put under independent review from two persons with academic rank. They selected most valued scientific papers.

In this issue of the KSI Transactions on Knowledge Society we published 29 scientific papers from scientific sections: Higher Education, Business, Public Administration and Advanced Technologies.

Editorial Board express gratitude to the reviewers for their qualitative and thorough work.
